Registration Information

Kindergarten registration is on Friday, March 31st at 1:30 to 3:30 PM. For all other children registration is done through the school secretary. You will need to bring immunization records, birth certificate, child's social security number and proof of residency.

School Fees

There are not fees at Spring Creek Elementary School. Donations are appreciated to help with Field Trips and materials for projects.

School History

Spring Creek was opened in August, 2002 with the students and staff from the closing Maeser Elementary moving to the new building. It was sad to see the old Maeser School closing. The school had been in operation since 1898. It was nice to move into a brand new building. Spring Creek serves the southeastern and South central part of Provo. It lies close to the mountains in a beautiful setting. It serves over 560 hundred students in the area.

School Motto-

Ascending To Excellence

Doors Opened

The main door is always opened by 7:00 a.m. for personnel entrance. The "breakfast door" will open at 8:00 a.m. Doors for students are opened at 8:20 a.m. Students should stay outside the building until the first bell at 8:25 a.m. in good weather. Children should enter and exit the school through assigned doors. Teachers will meet their students at the assigned door and escort them to their classroom. Doors may open earlier on bad weather days. Children may come in and wait quietly in the gym. If a teacher requests a student to arrive early, then that teacher must supervise the student.

School Dismissal

All classes are to dismiss with the bell. All students are expected to go home immediately after school is dismissed unless they remain for the after school program or a purpose approved by the teacher or principal. Students who remain after school must be supervised and if they stay longer than 10 minutes their parents must be called.

Technology

Spring Creek has an excellent technology program. We have two computer labs that every student has the opportunity to use each week. We also have computers in each classroom for the students to use on a daily basis under their teachers direction.

We are also lucky to have been chosen as an eMints school. As an eMints school two of our classrooms received extra technology equipment and are able to use more technology in their classroom each and everyday. We are expecting great things from this pilot program.

Fees-

Visitors

Parents and volunteers are always welcome at Spring Creek Elementary. All visitors and volunteers are required to check in and sign in at the front office when entering the building. You will be required to wear a "visitor" badge while in the building. Student guests are not permitted to visit during school hours.

Checking Out Students

1. All requests to leave the building while school is in session, including lunchtime, must be cleared through the office. Otherwise your child will not be released. You must check your child out at the school office.
2. Upon proper checkout your child will be called to the office, at which time you may take your child.
3. Ill students will wait in the office until proper checkout procedures have taken place.

Student Illness

When a child becomes ill or must be sent home during the school day, the parents will be called and the student checked out through the office. Parents should send notes or make phone calls (370-4650) to the school when their children are going to miss school. If a child has been absent three days in a row and no contact has been made from home, the teacher will call the home.
